

Resources for Leaders in Outdoor Ministries

Two “must-have” resources to strengthen and enrich your ministry.

Produced by the Committee on Outdoor Ministries of National Council of Churches of Christ (U.S.A.)

The Committee on Outdoor Ministry of the National Council of Churches USA is committed to supporting outdoor ministry leaders — camp directors, facility managers, program directors, counselors and board members — with resources that enrich and strengthen their ministry.

Outdoor Ministries Program Leadership Manual

Through an informative narrative, leaders are made familiar with the theological, biblical, cultural and educational issues concerning a variety of topics. Following each article are three educational designs, each intended for use with a different audience: counselors, program directors/ deans, and camp professionals/judicatory staff and boards.

Topics include:

- Theology and Faith Development
- Community and Self-Understanding
- Camping Program Activities

Outdoor Ministries Facility Administration Manual

Comprehensive, up to date articles written by experts in their fields address the many management concerns faced by facility managers, camp directors, board members, and governing body staff members. The organizing principle centers around the mission of the facility and the ways the mission is reflected in operational practices and interpretation to users.

- Defining the Mission
- Governance
- Daily Management
- Long Range Planning
